

Say what you want them to carry

Your personal legacy-letter template

Dear...

Choose one person. Add the date and the occasion, if there is one.

I am writing because...

Begin with your reason in ordinary, familiar words.

I remember when we...

Describe one specific moment you shared.

One thing life has taught me is...

Offer your experience without making it a rule for them.

My hope for you is...

Leave room for them to choose their own path.

With...

Close in your own way. Sign and date your letter.

A personal storytelling template. Write it or use it to guide a spoken message.
